

OG TAP Priority Deferrals

- Ancient Forests
- Remnant Ecosystems
- Big Tree Old Growth and Big Tree Older Mature
- Alpine Ecosystems
- PG Woodlot Association Boundary
- Woodlot Licences
- Parks and Protected Areas

Data Sources:

- OG_TAP Priority Deferral Areas: OGSRPRIORI_polygon.shp data set downloaded from BC Geodata Warehouse on March 27, 2023. Data was modified by:
 - 1) Deleting all Priority Deferrals within WL Schedule A land.
 - 2) Deleting all Priority Deferrals for just Big Tree Old or just Big Tree Older Mature (i.e. Not Ancient or Rare)
- Woodlot Schedule B extents from FTEN_MG_LIC.shp downloaded from BC Geodata Warehouse November 2021 and edited to remove Woodlots never issued and overlaps between Woodlots.
- Woodlot Association Boundaries: FBCWA Staff
- Parks and Protected Areas from TA_PEP_SVW.shp downloaded from LRDW January 11, 2017
- Alpine ecosystems from BEC_POLY.shp downloaded from LRDW January 11, 2017
- Base Map: BC 1:2 million base map data
